LCO PLANNING & BUILDING RENOVATIONS

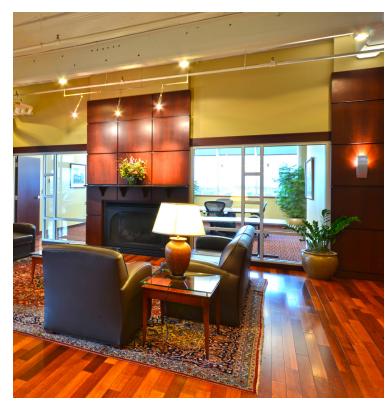

Buffalo, NY

- Converted early 1900's Larkin at Exchange Building from a manufacturing and warehouse facility into attractive office space further enhancing the emerging Larking Distric in the City of Buffalo.
- The scope of work includes programming, code review, design, documentation and construction administration.
- Several amenities are provided for tenants including a daycare center, fitness facility, commercial store, mail service, restaurants and state-of-the-art Conference Centers, and outside plazas.
