

# RIVIERA THEATER

North Tonawanda, NY

- Design includes a new expansion to the 1926 Historic Landmark theater enhancing the quality of North Tonawanda's cultural treasures.
- The expansion of the facility augments opportunities for community events and artistic performances.
- Architectural quality expands prospects for the economic viability of the Riviera by adding a multi-purpose rehearsal/banquet area, cafe, a black box theater, administration spaces, dressing rooms, a shop, and a roof terrace.
- A new elevator has been provided to connect all levels of the new additional and the existing theater.
